

UW-STOUT OUTLOOK

NEWS FOR UW-STOUT ALUMNI, PARENTS AND FRIENDS

CHANCELLOR'S COLUMN

Chancellor Charles W. Sorensen

As we enter into our Centennial year, we continue our celebration of a truly outstanding university. I doubt whether Senator Stout ever envisioned, in 1891, the remarkable success this university would achieve by 1991. He launched an institutional enterprise that has had a remarkable impact on the region, the state, and, in many cases, the nation.

If we ask what makes UW-Stout unique and successful, it boils down to a single factor. People. Our people, with their dedication to their profession and to the school, make the difference. For many of them, that dedication is characterized by one important distinction: their voluntary spirit.

Volunteerism is deeply rooted in American culture, and even a cursory examination of our rich past reveals that the success of our churches, communities, political parties and educational systems has historically depended on people volunteering

their time, energy and resources. Here at UW-Stout that is certainly no exception. I am continually impressed with the more than 200 students who annually volunteer 4,000+ hours to tutor other students. For those alumni that were similarly involved as students, your efforts were most appreciated.

The alumni of UW-Stout further reinforce this great spirit by responding positively whenever we call upon you for support.

We need your continued support, whether it is to serve on our board, organize gatherings or donate to the Foundation. You are part of this fine school and its great tradition, and we look forward to a long and valued relationship.

OPEN LETTER TO THE CHANCELLOR

Dear Chancellor Sorensen,

On behalf of the 40,000 plus Stout alumni, I extend our sincere appreciation for the speed with which you moved forward in filling the director of Foundation and Alumni Services position.

The precarious position of having both this position and the alumni services position open concerned many of us. The Foundation and Alumni Association are integral to the university's mission and success.

Each of us is aware that the Foundation board, Alumni board, the Foundation and Alumni Office staff and annual fund director Denise Sedlak did an outstanding job maintaining our many programs. These groups, and Denise especially, should receive your highest appreciation for the work they did during the transition.

As a final note, each of us can be very proud of the fact that the director's position drew several topnotch candidates from across the nation. It is an outstanding reflection on Stout. I commend you for your personal involvement in ensuring the speed with which the position was filled and the selection of one of the finest people I have ever had the privilege to work with, particularly as we move forward into Stout's second century.

Sincerely,

Randall L. Pickering, President
Stout Alumni Association

FOUNDING DAY REMEMBERED

Plan to join us on January 26, 1991, beginning at 10:30 a.m., for our Founding Day celebration. A dedication ceremony at the Memorial Student Center starts the day with the unveiling of a bronze relief plaque of our founder, Senator James Huff Stout. A reception follows the ceremony. Everyone's welcome!

Spend the afternoon perusing exhibits depicting Stout's history and enjoying live choral performances.

Evening activities begin with a social hour from 5-6 p.m. at the Memorial Student Center, followed by an authentic 1890s Historical Buffet Dinner. The program features a keynote address by Dr. James Bensen MS '63, president of Dunwoody Institute, and remarks from Chancellor Charles W. Sorensen. The evening concludes with dancing to the music of the UW-Stout Jazz Band.

Cost for the evening is \$10 per person. Checks should be made payable to UW-Stout and sent to University Relations, Administration Bldg., P.O. Box 0790, Menomonie, WI 54751-0790.

NOTE: Reservations must be made by January 11, 1991.

COVER PICTURE

Paul Hansen donated this picture, circa 1920, of a student project going out of Ray Hall. The house is still standing on the corner of 11th Street and 3rd Avenue. George Miller, the athletic coordinator at Stout, bought the house, moved it to the present location and finished the roof.

Picture courtesy of UW-Stout Archives.

REISINGER NAMED DIRECTOR OF DEVELOPMENT

Patricia Wenner Reisinger has been named director of Development and Alumni Services at University of Wisconsin Stout, Chancellor Charles W. Sorensen announced. Reisinger was associate director of Development at UW-Stout before leaving in 1989 to become associate director of Development at Northwestern University Medical School, Chicago.

At Northwestern, Reisinger was responsible for gift acquisition from alumni and friends, earmarked for supporting strategic priorities of the medical school. She was also charged with advising, cultivating and tracking prospects; planning special events for the medical school; and assisting various departments in other development activities.

In her new position at UW-Stout, Reisinger will serve as the chief development officer, overseeing all fund-raising activities and providing executive services to the Stout University Foundation Inc.

"Pat Reisinger has an excellent background in professional development and alumni work," Sorensen said. "She did an outstanding job here as associate development director and she has shown superior performance in her position at Northwestern University. Pat has established many valuable contacts with our

Patricia Wenner Reisinger

alumni throughout the country. In addition, as an alumna of UW-Stout, she has a firm understanding and appreciation of the university's traditions and history."

Reisinger holds a bachelor's and a master's degree from UW-Stout. Prior to initially joining UW-Stout in 1982, she taught home economics, clothing and textiles, consumer economics, family living, U.S. history and English at public schools in several Wisconsin locations. She has been active in numerous organizations including the Council for Advancement and Support of Education and the American Association of University Women.

PRESIDENTIAL GREETINGS

Randy Pickering

It is an honor to accept the presidency of the Stout Alumni Association. It is particularly special as Stout moves into its second century. Each of us can feel a unique pride. Stout's worldwide reputation has been earned by the dedication of our faculty, quality of our staff, foresight of our administration and accomplishments of our alumni!

Looking over the past two years, the university, the Foundation and the Alumni Association have moved forward effectively through significant changes—a new chancellor, a new director of Foundation and Alumni Services and, soon, a new alumni director. On behalf of all alumni, I would like to thank outgoing president Ann Yurcisin and annual fund director Denise Sedlak for the exemplary job they have done maintaining our quality alumni programs during this time of change.

We wish former Foundation director Dave Williams the very best at Ripon College and are extremely pleased to welcome Pat Reisinger back to Stout as our new director. Anyone who has ever known Pat knows the

professionalism, enthusiasm and dedication she brings to the job.

Looking ahead to the next few years, a great deal of energy will be focused on recognizing our first 100 years and positioning ourselves to meet the challenges of the second century. I strongly urge each of you to take this unique opportunity to return to the campus and be part of one of our upcoming events highlighted in this issue of the *Outlook*. For those of you who have not been back for several years, you are in for some major surprises. But rest assured, the memories are still here and as deep as ever.

I enjoyed meeting so many of you last month at homecoming and look forward to meeting many more of you over the next two years.

Randy Pickering, President
Stout Alumni Association

PRESIDENT'S PROFILE

Randy Pickering is a 1979 UW-Stout graduate in industrial education. Randy is Wisconsin Bell's area manager for customer service, responsible for the state of Wisconsin and UW-System. He and his wife Ruth (Kremer), a 1980 graduate in business, live in Fitchburg, WI (Madison). They have two children. Richard, future class of 2008, is four; Rachel, future class of 2010, is two.

Many of you may remember Randy as being instrumental in building and leading Stout's athletic training program during the 70s. Today he is still active in high school athletics, as well as Special Olympics and is a battalion captain/EMT for the city of Fitchburg (volunteer) Fire Department. Randy was appointed to the Stout Alumni board of directors in 1984 and was elected president of the board on October 5.

Chancellor and Mrs. Sorensen greeted alumni during the Centennial Homecoming parade.

OUTSTANDING YOUNG ALUMNI NAMED

Outstanding Young Alumni Linda Van Someren-Booth '81 with Randy Pickering '79, president of the Stout Alumni Association, and Chancellor Charles W. Sorensen.

Linda Van Someren-Booth, job placement coordinator at Rise Inc. in Spring Lake Park, MN, was honored as a recipient of the Outstanding Young Alumni Award at the August commencement ceremony. Van Someren-Booth was a 1981 graduate with a major in vocational rehabilitation. In 1988 she was named the Job Placement Professional of the Year by the Minnesota Rehabilitation Association, and in 1990 she received the Distinguished Service Award from the Minnesota Association for Rehabilitation Facilities. At Rise, Inc. she has assisted hundreds of people in finding employment in the local job market and has contacted over 500 companies on behalf of her clients.

YOUR PERSPECTIVE PLEASE

Dr. Wes Face, a current James H. Stout Professor, has begun writing the history of UW-Stout for the last 25 years and is inviting your input. "I am very anxious to get a different perspective from others as to what they feel were the most important events or activities of this time frame," stated Face.

Alumni, faculty and staff are encouraged to submit information they feel impacted the university and how Stout was affected. Send your thoughts to Wes Face, LLC 208, UW-Stout, Menomonie, WI 54751-0790.

A DEPARTING MESSAGE

Ann Yurcisin

Dear Alumni:

You are members of an extraordinary Alumni Association! In the past two years, I have had the opportunity to meet with alums from all over the United States. What an outstanding group of individuals!

I have found that no matter when they graduated, what their major was or what they are doing now, alumni are actively involved and supportive of UW-Stout. I have seen this so often at alumni reunions and gatherings. The turnout for these events has been tremendous, and sometimes it's surprising to see how far people have traveled just to be there.

As a staff member on campus, I have taken the opportunity to attend Stout's two-day annual career fair where over 250 companies were represented. Over half of these recruiters were Stout graduates returning because they KNOW Stout students have the qualifications that they are seeking.

At events such as freshman orientation, Family Weekend and commencement, I have had the opportunity to meet with parents of Stout students who are themselves alumni, truly making Stout a family tradition. How fascinating it has been to talk to successful alums and to hear where their careers have taken them. Inevitably they will attribute their accomplishments to their Stout education and the support they received from faculty and staff.

I have also seen how alumni have been supportive of Stout in other ways, such as generously responding to phonathons and donating equipment and dollars so that Stout can continue its educational commitment. At a recent reception where 190 scholarships were awarded to Stout students, I found that a majority of these scholarships were established by alumni or to honor alumni, making it possible for our current students to continue their education, becoming future alumni themselves.

How gratifying it has been to witness this involvement and commitment of alumni to the University of Wisconsin-Stout! It is these experiences which have made me feel honored to be part of this network of individuals and privileged to have served as the president of the Stout Alumni Association these past two years. Thank you!

Sincerely,

Ann Yurcisin MS '78, Ed.S. '81

ADVANCE ORDER FORM

A Very Special Souvenir Honoring
Stout's First 100 Years

CACHETED ENVELOPE with LIGHTHOUSE STAMP, SPECIAL CANCELLATION and HISTORICAL SUMMARY INSERT

INSTRUCTIONS:

1. Fill out this form to indicate the number of souvenir envelopes you are ordering at \$1.50 each.
2. Enclose your check made out to: UW-Stout.
3. Enclose a No. 10 (business size) envelope, stamped and self-addressed, in which we can send you your order.
4. Mail your order to: The Centennial Committee, University Relations Office, UW-Stout, Menomonie, WI 54751-0790.

Note: If you order three or more souvenir envelopes, your return stamped envelope will require an additional 20 cents first-class postage for each three envelopes ordered.

The official day for the cancellation is January 5, 1991. Please send in your order as much in advance of this as possible.

BUILDING THE FOUNDATION

THE STOUT FOUNDATION SCHOLARSHIP PROGRAM

The Stout Foundation scholarship program began in 1963 when concerned faculty and alumni sold Homecoming buttons to raise \$200 for two scholarships for Stout students. In the past five years, the program has grown to assist over 1,190 students with more than \$492,000.

The growth of the scholarship program is directly related to the generosity of faculty, alumni and friends who wish to help Stout students more readily afford the ever rising cost of a college education. Many of these individuals have created the endowed funds, from which the income provides the scholarships being awarded today.

Many more students, however, are facing financial pressures which additional scholarships could help ease. If you are interested in establishing a scholarship fund or know someone who may be interested, please let us know. Simply contact Patricia Reisinger, Executive Director, Stout University Foundation, Louis Smith Tainter House, 320 South Broadway, Menomonie, WI 54751-0790, (715) 232-1256, or Chancellor Charles W. Sorensen, 320 Administration Building, UW-Stout, Menomonie, WI 54751-0790, (715) 232-2441.

THE LINK

Chancellor Sorensen and Tony Gullickson BS '65, MS '66 get acquainted at the July reunion for the classes of '64, '65 and '66.

N. A. "Tony" Gullickson BS '65, MS '66 called the Foundation office in the spring of 1990 and said, "I want to make Stout the beneficiary of a life insurance policy. What do I need to know, and how can I encourage others to think of doing the same?" When we learned that Tony would be on campus in July for the 25th reunion of the classes of '64, '65 and '66, we asked if he would share his story and his vision with others.

THE STORY

Tony came to Stout in 1961 because Walter Netterblad Dip. '26 and William Martin '59, his high school printing teachers, told him about Stout and gave him tremendous encouragement to attend Stout. Tony came and received a bachelor's degree in industrial education in 1965, married Diana Kadinger (also a '65 Stout grad), and remained at Stout while Diana got a second bachelor's degree and he received his master's in industrial education. Tony went on to work as an instructor of graphic arts at Winona State University, during which time he saw the need for a doctorate and began that work at the University of Northern Colorado in 1969. While there he received a \$3,000 fellowship from the Graphic Arts Technical Foundation, took additional courses at Stout, accepted a position at California State University-Fresno and completed his Ed.D. While at Stout Tony held a number of offices in the Stout Typographical Society, was very active in Alpha Phi Omega, a national service fraternity, and was part of the *Tower* staff and business manager for the *Stoutonia*.

THE VISION

"I wanted to encourage others the way Wally Netterblad and Bill Martin encouraged me. The 25th reunion in July and a 25th wedding anniversary in August got me thinking. Where am I? Where have I been? What does the future hold? And the more I thought, the more I began to

appreciate what Stout had done for me. Yes, I had worked hard at Stout, but I got a lot from that work. My time at Stout changed me and was instrumental in every success that I enjoy. I owed Stout, but what could I do now with children still in school? How could I repay Stout and encourage others? I knew I couldn't give a major gift now, and then I thought of life insurance. Why not make Stout the beneficiary of a policy? It's a promise. Why not make this promise—Stout has to go on and needs money to do that. I want my money to be a part of what keeps Stout going. I want to be a link in that chain."

Tony officially became a link in that chain in July when he filed with the Foundation a copy of the insurance policy.

His advice to current students is "Stout is offering you a wonderful opportunity to succeed in your personal and professional life—use it!!!"

DIRECTORY ASSISTANCE

In searching through the Alumni Association directory, we have found hundreds of alumni whose names are recorded but who are lacking a current address.

In this and future issues, we will list some of these names by year of graduation. If you know the current address for any of these alumni, please let us know. Send the address or other information to Alumni Association, Louis Smith Tainter House, UW-Stout, Menomonie, WI 54751-0790, or call (715) 232-1151.

BUILDING CREATIVELY

Two new fund-raising programs involving our alumni as program leaders have been initiated recently and are proving to be very successful, thanks to the hard work and efforts of our volunteers!

CLASS CHALLENGE

Cheryl Meyer Bork '77, Lou Tiffany '76 and Carol Lund '74 led the Alumni Association's first class challenge. Between the classes of 1974, '76 and '77, the class of '77 won with the greatest dollar amount donated (\$5,917) and the highest average gift. The class of '74 raised the next highest dollar amount (\$5,437), while the class of '76 had the second highest average gift. The class of '77 and '74 tied for total participation with each having 13 percent.

Thank you Cheryl, Lou and Carol for a job well done.

STOUT AGENTS

Mike Rass '78, General Mills, and Jeff Daniels '80, IBM, began a new program in fiscal year '90 when they became the first Stout agents for their respective companies.

The object is to remind co-worker alumni that UW-Stout needs and deserves their support and that their employer offers matching gift donations.

Mike and Jeff are doing a terrific job and we say thank you to them and to all alumni that have gotten involved.

Any alumni that wish to start a similar program in their company can contact Denise Sedlak, Stout University Foundation, (715) 232-1256, for more information.

SUMMER FUN

Alumni and friends from the classes of '64, '65 and '66 gathered on July 7, 1990, to renew friendships, visit special places on campus and in town, and explore new buildings. Tours in the afternoon included the Stout Technology Park, the Louis Smith Tainter House, the Niche, the Furlong Art Gallery and the Bookstore. Greetings from Chancellor Charles W. Sorensen and dancing completed the reunion activities.

BANNER TURNED SIGNAGE

The banner headline developed for our first Centennial issue of the *Outlook* and announcing the schedule of Centennial activities has received a great deal of attention since it first appeared in the Winter/Spring 1990 issue.

In our summer issue of *Outlook*, we featured a picture of it on a semitrailer which had been painted to commemorate Stout's Centennial. The truck, owned by John Dotseth Trucking, had been revealed during Family Weekend.

The banner, designed by Bob Burger of Burger and Burger Creative Services in Menomonie, became the basic design used by Dick Capra '73, owner of DJ Signs and Arts in Menomonie, for painting the illustration on the truck.

The truck, with its commemorative banner signage, has been seen by hundreds and will be seen by hundreds more as it carries its loads throughout the Midwest.

Judy Zenda Leary BS '68, MS '71, Mary Schaefer, Gary Leonard BS '63, MS '66, and Roger Schaefer BS '63, MS '64 trade stories at the summer reunion.

SUMMERFEST

Special thanks to those dynamic alumni volunteers who made the UW-Stout booth at June's Summerfest in Milwaukee a great success. For the second annual Big Reunion of all UW-System schools' alumni, Jim '80 and Linda Stiloski '81 and Walter Kirchhoff '85 put together a lively group of volunteers to welcome alumni and friends at the Stout booth. Ardith Quilling Roseland entertained visitors with her balloon magic and our own Tracy Spoerl '74, food and beverage manager for all of Summerfest, was on hand in the VIP tent. Jenny Polack, a current Stout student, was also on-site with items from our campus bookstore. If you want to be involved next year, please let the Alumni Office know of your interest.

BAKERS SQUARE SUPPORTS H & R STUDENTS

Amin Fazal, Kathy Ryan and Gary Fiedler, representing Bakers Square Restaurants, greet scholarship recipients John Panke, Vicki Mendham, Kevin Kerstein and Laura Kral. Not shown: Stacy Sundstrom.

Bakers Square Restaurants awarded five \$500 scholarships to UW-Stout students as a result of the corporation's new scholarship program. Eligible students had to be juniors and seniors enrolled full time in the university's hotel and restaurant management program with a cumulative grade point average of 3.0.

The corporation recruits many Stout students and felt this program would help to encourage those pursuing degrees in the restaurant management field. Students receiving these first awards were Kevin Kerstein, Laura Kral, Vicki Mendham, John Panke and Stacy Sundstrom.

CLASS NOTES

1917-1974

Harry Peterson Dip. '17, BS '35 is 95 years old and lives in Wisconsin Rapids. He taught industrial arts and vocational and adult education for 46 years. He had Clyde Bowman Dip. '09 and Floyd Churchill Dip. '10 as teachers of manual training in the 7th and 8th grades at Stillwater, MN. Both of them encouraged him to attend Stout. **Stuart Anderson** '35, Springfield, IL, initiated and monitored House Bill 1249 through the Illinois Legislature and has been elected an honorary member of the Illinois Association of School Boards. This honor is bestowed upon individuals who have rendered distinguished service to public education in Illinois or to the Association. He will receive his award Nov. 18 in Chicago. **David** BS '53, MS '56 and **Geraldine Erickson Bieniasz** BS '53, MS '73 reside in Amery. Dave retired in 1989 from Amery Public Schools and Gerry in 1990 from Clear Lake Schools. **Robert Duren** BS '57, MS '58, Altoona, has retired after 32 years of teaching industrial arts at Regis High School, Eau Claire. **Norbert Link** BS '59, MS '61 is production supervisor at Wisconsin Tissue Mills, Menasha. **Gayle Bonnell** MS '61, Castle Rock, WA, has retired after 28 years of teaching industrial arts. **Gloria Sutton Noone** '61, Walnut Creek, CA, is a consumer information specialist for Specialty Brand Inc. **Marilee Olson Houg** '63, Louisville, KY, is a student at the Louisville Presbyterian Theological Seminary. **N.A. "Tony" Gullickson** BS '65, MS '66 is a professor in the Industrial Technology Department at California State University-Fresno. He has been named a recipient of the Meritorious Performance and Professional Promise Award. **Diane Vance Christensen** '69 is a teacher/special needs coordinator for children at risk with the Racine Unified School District. **Doris Wagner** MS '69 has retired after a 40-year career in education spent entirely in Dunn County. She's been a teacher at Colfax for the past 24 years. **Mary Probst Dikkeboom** '70 is extension home economist in Rock County. **Bruce Sanderson** '70 is manager of service

technical training/curriculum development at Nissan Motor Corp., Carson, CA. **Max Therou** BS '70, MS '73 and '79, Chippewa Falls, is supervisor of conservation for Northern States Power. **Mary Lynne Quandt Mason** '71 is food service director for Fairhaven Nursing Home in Whitewater, a consultant to Kiwanis Manor in East Troy and nutrition consultant to Nutrition Plus in Janesville. ADVENTURES IN INNOVATION THE FIRST 100 YEARS

In observance of its centennial, UW-Stout is publishing a set of three books on the history of the institution and the life of its founder, James Huff Stout.

"James Huff Stout: Maker of Models" is an in-depth biography of the founder of the school. Author Dwight Agnew, professor emeritus, compiled bits and pieces of information about Senator Stout from newspapers, official documents, a handful of acquaintances and other local sources. The book examines Stout's various civic interests: improving rural life, service in politics and business, and education.

"Reminiscences: An Anthology of Oral History" grew out of a speakers series offered at the university during 1987 and 1988. Each month a person who had been active at the institution was chosen to speak, to provide a variety of points of view on Stout's history and development. Included are excerpts from presentations by Bev and Bob Spinti, Bill Amthor and Marv Kufahl, Dwight Agnew, Norm Zieman,

Eva Rogers, Bob Melrose, Jerry Buckley, Betty Viens, Frank Belisle, and Eleanor Johnson. The work was edited by Dan Riordan, a UW-Stout English professor.

"Interpreting The Dream: A Stout History," traces the development of the institution from its founding in 1891 to today, through the actions and philosophies of its founder, presidents and chancellors. Through text, photographs and a chronology, the book recounts James Stout's gift of a building, equipment and staff to provide manual training for secondary school students, and how that school grew into UW-Stout.

Offered as a boxed set titled "Adventures in Innovation - The First 100 Years," the books provide a concise history of the founding and development of the university.
